

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to:
Commissioner for Patents, Washington, D.C. 20231 on this date

Typed or Printed Name Susan M. Alessi

Signature

Date April 30, 2003

**INFORMATION DISCLOSURE
STATEMENT**

Address to:
Commissioner for Patents
Washington, D.C. 20231

Attorney Docket

VITA-005

First Named Inventor

LU, PETER S.

Application Number

09/736,960

Filing Date

December 13, 2000

Group Art Unit

1647

Examiner Name

BUNNER, BRIDGET E.

Title: "NUCLEIC ACID MOLECULE ENCODING A
CLASP-5 MEMBRANE PROTEIN"

RECEIVED
MAY 06 2003
TECH CENTER 1600/2900

Sir:

This is an Information Disclosure Statement submitted for the Examiner's consideration. This is being filed **after** three months of the filing date of this national application or the date of entry of the national stage as set forth in §1.491 in an international application or **after** the mailing date of the first Office Action on the merits, whichever event occurred last, but **before** the mailing date of either a final action under §1.113 or a notice of allowance under §1.311, whichever occurs first.

A Form PTO-SB/08A listing the references accompanies this paper. Applicants would appreciate the Examiner's initialing and returning the form to indicate that the references have been reviewed and made of record.

X All of the references identified herein are being submitted prior to the final determination on patentability by the Office. **Some of the references identified herein were disclosed in parent application serial number 09/687,837, filed October 13, 2000 and as such, copies thereof are not included pursuant to the provisions of 37 C.F.R. § 1.98(d).**

All of the references identified herein were cited in an International (PCT) Search Report dated *, in a PCT application corresponding to the above-identified U.S. application. A copy of the Search Report, including an indication of the purported relevance of the cited documents, is enclosed herewith. Copies of the references are submitted herewith.

Very truly yours,

This Information Disclosure Statement is not intended as a representation that the references identified herein constitute prior art to the present application within the meaning of 35 U.S.C. § 102.

X Please charge the \$180.00 fee required by 37 C.F.R. §1.97(c) and set forth in 37 C.F.R. 1.17(p) and any additional fees which may be required by this paper or any fees under 37 C.F.R. §§ 1.16, 1.17 and 1.21, or to ~~credit~~ any overpayment, to Deposit Account No. 50-0815, order number VITA-005.

Respectfully submitted,
BOZICEVIC, FIELD & FRANCIS LLP

Date: April 30, 2003

Importance statement: This study demonstrates that the use of a single 7-day survey to identify and measure the prevalence of mental health problems, including self-harm, is a valid and reliable method for identifying and measuring the prevalence of mental health problems in a community sample. The findings suggest that a single 7-day survey is a valid and reliable method for identifying and measuring the prevalence of mental health problems in a community sample.

EXAMINER: Initial, reference, and serial number of the prior art references cited in the examination of this application should be indicated in the space provided on the back of this form.

This form is to be filled out by the applicant or the examiner, and it is to be submitted to the examiner for review.

By filing this form, the applicant certifies that the information provided is true and correct. The applicant also certifies that the information provided is not confidential. If the applicant desires to file confidential information, the applicant must file a separate statement with the U.S. Patent and Trademark Office, Washington, D.C. 20503, and must pay the fee for confidential filing. The applicant must also pay the fee for filing this form. The fee for filing this form is \$100.00. The fee for filing this form is \$100.00.
